

# Breathe the difference. Feel the difference.

## The Medify Standard: True HEPA H13 Filtration

### 4 Benefits of Improved Indoor Air Quality (IAQ) in Senior Living:

- 1. Improved Health:** Maintaining high IAQ can contribute to better health outcomes, particularly for the elderly.
- 2. Enhanced Cognitive Function:** Superior IAQ has the potential to positively impact cognitive function.
- 3. Reduced Infectious Disease Transmission:** Air quality directly impacts the transmission of pathogens and respiratory illnesses.
- 4. Increased Comfort:** High IAQ contributes to a more comfortable living environment.

MA-15

- Tabletop air purifier
- Cleans 117 square feet every 12 minutes (5 ACH)
